

艺术家简介

杨乙嘉是一位生活在上海的视觉艺术家，本科毕业于伦敦艺术大学切尔西学院，研究生进修于伦敦大学斯莱德艺术学院的油画系。她的作品涉及油画、装置、影像等等。在寻找绘画语言边界的同时，用空间本身被忽视的角落，以光线与颜色的交织将日常场景、记忆转换成梦与虚幻的第二空间。她所探求的是画布之上材料层叠创造的负空间，亦可为画面背后情感共鸣的回响空间。

Yijia Yang is a visual artist based in Shanghai. After graduating from Chelsea College of Arts and Design, University Arts London for her BA degree, she took the MFA Painting course at Slade School of Fine Art at University College London. Her practice expanded from painting to installation to media works. While addressing serial questions around the boundary of painting, she seeks the neglected corners in the space, to transcend the everyday theme and memory into another place of dream and illusion. She looks for the negative space on the surface created by layers and materials, or an echoed space beyond the canvas created by emotional resonance.
